理事长致辞

Chairman’s Message

2022 年是极不平凡的一年。中国共产党召开了第二十次全国代表大会，确立了以中国式现代化全面推进中华民族伟大复兴的宏伟蓝图。一年来，面对严峻复杂的国内外形势，中国坚持稳中求进工作总基调，全面贯彻新发展理念，经济稳健发展，民生保障扎实，生态环境不断改善，世界第二大经济体的地位持续巩固。

2022 年，在国务院发展研究中心领导下，在社会各界关心帮助下，中国发展研究基金会坚持守正创新，国际交流、政策研究和社会试验各项工作继续取得新的成绩。

我们持续与世界对话，有效发挥沟通政府与社会、中国与世界的桥梁作用。我们签署中意慈善论坛第二期合作备忘录，中国国家主席习近平与意大利总统马塔雷拉（Sergio Mattarella）向论坛联合荣誉主席、意大利前总理罗马诺·普罗迪（Romano Prodi）致信鼓励。我们分别召开“以史为鉴——亚洲金融危机 25 周年的回顾与启示国际研讨会”、

第十九届“构建 21 世纪金融体系”中美研讨会、中英智库论坛、第四届中国儿童发展论坛，组织中国发展高层论坛系列品牌活动，在单边主义、保护主义、逆全球化思潮抬头的背景下，发出坚持开放合作、互利共赢的中国声音。

我们恪守智库型基金会的定位，围绕中国社会经济重大政策开展咨询研究。我们发布《中国发展报告 2021–2022》，报告聚焦“走共同富裕

2022 was an extraordinary year. The 20th National Congress of the Communist Party of China (CPC) came to a successful conclusion, and an ambitious blueprint has been drawn for building a modern socialist country in all respects and advancing the great rejuvenation of the Chinese nation on all fronts through a Chinese path to modernization. Last year, despite complex developments at home and abroad, China adhered to the general principle of seeking progress while maintaining stability, fully implemented the new development philosophy, ensured stable economic growth and people's well-being, and continually improved the ecological and environmental quality. China has maintained its economic standing in the world and enjoyed sound development.

In 2022, with the guidance of the Development Research Center of the State Council and with the great support of all relevant parties, the China Development Research Foundation (CDRF) upheld its fundamental principles and broke new ground. New achievements continued to be made in international exchanges, policy research, and social programs.

We continued to dialogue with the world and served as bridges between government and society, China and the world. We signed the Memorandum of Understanding (MoU) for the second term of the China-Italy Philanthropy Forum. Chinese President Xi Jinping and Italian President Sergio Mattarella sent letters of encouragement to Romano Prodi, former Prime Minister of Italy and Co-Honourable Chairman of the China-Italy Philanthropy Forum. We held “From the Past to the Future: Symposium on 1997 Asian Financial Crisis 25 Years On”, The 19th US-China Symposium on Building the Financial System of the 21st Century, China-UK Think Tank Forum 2022

之路”，分析研究共同富裕的概念内涵与发展脉络，展望新时代中国实现共同富裕的愿景，提出有利于推动共同富裕的政策框架。我们高质量完成大健康战略、城市群一体化、国际发展援助与合作、农村社会事业发展、ESG 投资、中美关系、绿色发展等研究项目，有关成果为中国政府决策提供重要参考。

我们紧盯乡村振兴和儿童发展事业的短板、弱项，接续开展相关领域的社会试验、政策倡导和长期性跟踪研究等工作。我们在近千万人口、刚刚消除绝对贫困的贵州省毕节市，全域开展“农村儿童发展综合示范区”建设，试点 0–18 岁儿童的各类发展项目，受到当地群众普遍欢迎，儿童、家庭和在农村妇女都从中受益。一年来，“慧育中国：山村入户早教计划”扩面提质，“一村一园：山村幼儿园计划”乐都项目评估结果令人惊喜，“阳光校餐数据平台”项目有力推动中国加

and the 4th China Child Development Forum. We organized a series of China Development Forum activities and delivered China's message of promoting win-win cooperation as the unilateralism, protectionism and anti-globalization were mounting.

We adhered to the position of a think tank foundation and conducted research on major policies related to China's social and economic development. We released *China Development Report 2021-2022*, which focuses on China's pathway to common prosperity, analyzing the policy vision and development context of common prosperity, envisioning China's goal of achieving it in the new era, and proposing a policy framework that is conducive to achieving common prosperity. We accomplished high-quality research in topics such as health strategy, Integration of city clusters, international development assistance and cooperation, rural public services development in China, ESG investment, China-U.S. relations, and green development, providing important references for government decision-making.

We targeted the shortcomings of rural revitalization and children development, and continued to carry out social programs and long-term longitudinal research in related fields. A Rural Child Development Demonstration Zone has been established in Bijie, Guizhou province, which has a population of nearly 10 million and has just eliminated absolute poverty. We piloted various development

入全球学校营养餐联盟。这一年，基金会儿童发展中心转型升级为儿童发展研究院，并荣获全国妇联颁发的全国三八红旗集体荣誉称号。

山积而高，泽积而长。2023 年，中国发展研究基金会将继续践行“支持政策研究、促进科学决策、服务中国发展”的宗旨，积极响应政府决策和社会需要，为促进中国经济社会发展、加强中国与世界合作交流作出积极贡献。

衷心感谢社会各界对中国发展研究基金会的大力支持！

projects for children aged 0-18 years, which has been widely welcomed by the local people, and children, families, and women in the village have all benefited from it. Over the past year, the "China REACH Program" has expanded and improved, the evaluation results of the "One village One Preschool: Village Early Education Center Program" in Ledu are encouraging, and the "School Nutrition Improvement Initiative" has promoted China's participation in the School Meals Coalition. In this year, the Child Development Center of the CDRF upgraded into the Child Development Research Institute and was awarded the honorary title of 2021 National Distinguished Women's Collective.

Readiness to converge with others makes a mountain high and a river mighty. In 2023, the CDRF will continue to fulfill its mission to “advance good governance and public policy to promote economic development and social progress”. We will actively respond to the government decision needs, and make positive contributions to promoting China's economic and social development and strengthening cooperation and exchanges with the world.
